**REQUEST FOR PROPOSAL no.
Z/0345/2024 /Czech Republic
("RFP")**

**NETIA S.A.
Warsaw, __.__.2024**

1. Information about the Contracting Authority

Netia S.A. with registered office in Warsaw at 13 Poleczki Street, 02-822 Warsaw, registered in the register of companies maintained by the District Court for Warsaw in Warsaw, 13th Business Registration Section of National Court Register, KRS number: 0000041649, share capital: PLN 335,578,344.00 (fully paid), NIP: 526-02-05-575, REGON: 011566374, a company having the status of a large enterprise, as defined by the Act of 8 March 2013 on preventing excessive payment delays in commercial transactions, hereinafter referred to as "Netia" or "Contracting Authority".

This document is confidential and can be used only for the purpose of preparation of the Bid. Copying or distribution of this document, in full or in part, in any form, is prohibited without the prior written consent of Netia.

This document is the property of Netia and entities belonging to the capital group, in the understanding of the Act of 16 February 2007 on Competition and Consumer Protection.

2. Subject of the Request for Proposal

In this RFP Netia would like to ask potential bidders ("Bidders") to prepare a Bid with respect to **Provision of a Dark Fibre IRU and Ancillary Services**, according to the requirements listed in this document, in particular according to the specification described in Item 4 of the RFP.

Code CPV: 32562100-1, 64200000-8

4. Terms of Reference of the Requests for Proposal

These Terms of Reference include guidelines based on which the Bidder shall prepare its Bid concerning the subject of the Request for Proposal, according to the Bid Form which constitutes **Appendix no. 1** to this RFP. Dark fiber IRU are specified in **Appendix no. 5** to this RFP.

SUBSTANTIVE ASSUMPTIONS:

In connection with building of an international DWDM network which is partially financed from the funds of the CEF2-Digital Program, Netia is looking for a company which will deliver **Dark Fibre IRU and Ancillary Services**, according to the Terms of Reference included in this RFP. The Bidder may submit a Bid for all or selected Dark Fiber IRU specified in **Appendix no. 5** to the RFP.

A. Subject of the Request for Proposal

Provision of a Dark Fibre IRU and Ancillary Services

- B.** The Contracting Authority expects the execution of the scope, as indicated in the Request for Proposal, within **3 months** from the date of signing of the Agreement.
- C.** All materials shall be provided by the Contractor.
- D.** Detailed requirements regarding the Bid:
 - 1. The Bid shall be complete and include required documents for a given scope.
 - 2. The Bid shall be presented according to the detailed assumptions specified in the RFP.
 - 3. The total price of the Bid and its scope (**Appendix no. 2** to the RFP) shall be expressed in EUR and include information provided in the Bid Form.

- E. Any expenses related to the preparation and delivery of the Bid shall be borne by the Bidder.
- F. Payment deadline is 30 days of the receipt of invoice.

5. *The Bid shall include:*

- a. Presentation of the Bidder's company.
- b. Bid Form which constitutes **Appendix no. 1** to RFP.
- c. Price offer which constitutes **Appendix no. 2** to RFP.
- d. Copy of the document, which is not older than 3 months, allowing for verification of the legal status of the Bidder, that is whether a given entity exists (is entered to the relevant register of companies maintained in a given country),
- e. Obligations of the Vendor / Contractor to comply with the Rules of Ethical Behavior of Vendors in Contacts with Netia S.A. Group – Signed on the template which constitutes **Appendix no. 3** to RFP.
- f. Power of attorney granted by persons authorized to represent the Bidder if a person/s signing the Bid are not listed in registration documents as authorized to represent the company.
- g. Declaration of the Bidder which constitutes **Appendix no. 4** to RFP.

6. *Bid validity*

The Bid should be valid for at least ninety (90) days from the date of closing bids' submission. If the Bid does not include the validity date, Netia will assume that it is valid for the period of ninety (90) days from the date of its receipt by Netia. Netia reserves the right to apply to the Bidder for extending the Bid's validity for the subsequent ninety (90) days.

7. *Procedure of explaining doubts, answering questions*

During preparation of the Bid, the Bidder has the right to ask questions which can be asked not later than 5 days before the deadline for submission of Bids. **Questions should be sent to e-mail addresses of contact persons listed in Item 3.**

- a) Netia will provide answers to all Bidders taking part in the tender procedure. Questions and answers will not include information which will allow for identifying authors of questions.
- b) Netia may refuse providing answer to questions without providing any reasons.

8. *Deadline for submission of Bids*

The Bid (Bid Form, Appendix no. 1 with Appendixes nos. 2-4) shall be submitted in the form described in this Request for Proposal (item 9) **by 5 April 2024.**

9. *Form of Bid's submission*

A complete Bid, including all documents listed in Item 5 of RFP, shall be sent in one e-mail to **e-mail addresses provided in Item 3.** The Bid shall be signed by persons authorized to represent the Bidder. Powers of attorney must be attached to the Bid.

A document in PDF format (in case of more files, they can be compressed in ZIP file) is the required form of reply.

10. *Terms of participation in the Request for Proposal:*

- a) All Bidders are bound by the same terms of tender procedure, according to internal procedures of Netia
- b) The Bidder shall be obliged to keep confidential any information concerning Netia, obtained in connection with participation in this tender procedure, in particular information which constitutes

- trade secret in the understanding of Article 11 item 4 of the Act on counteracting unfair competition (Journal of Laws, of 8 June 1993, no. 47, Item 211, as amended).
- c) This Request for Proposal constitutes an invitation to negotiations in the understanding of Article 72 of the Civil Code, thus the provisions concerning the offer in the understanding of Article 66 i of new Civil Code.
 - d) Nevertheless, the Parties exclude an automatic effect of placing an order (that is a moment when the Parties will reach an agreement regarding any and all provisions that were subject of negotiations), whereas placing of an order takes place at the moment of signing it by both Parties.

10.1. Language of the Bid

The Bid shall be prepared in English.

10.2. Scope of the Bid

- a) The Bid shall be complete and include all required explanations, attachments and proposals of the Bidder, indicated in his Bid. By presenting the Bid in the form which is not consistent with provisions of this document or after the set deadline, the Bidder assumes the risk of omitting his Bid during the final selection of the Bidder. The Bidder shall cover any expenses related to providing a reply to this RFP.
- b) Failure to deliver all required information or delivering the Bid after the set deadline shall mean the lack of willingness to participate in the tender procedure at the Bidder's own accord. Failure to meet the terms of this RFP by the Bidder shall entitle Netia to reject the Bid.

10.3. Form of execution

- a) By sending his own Bid in response to this document, the Bidder accepts in full and without any reservations the form of entering into cooperation as recommended by Netia as well as any and all conditions recommended by Netia in this document.
- b) Netia reserves the right to enter into cooperation with the Bidder to any extent set out in this document, which however does not oblige Netia to sign an agreement / place an order and shall not mean accepting of the Bid.
- c) The Bid submitted in response to this document can be the basis for further negotiations with the Bidder, concerning the recommended commercial terms and may be reflected in the form of relevant provisions in the Agreement or Order with the Bidder.

10.4. Reservations of the Contracting Authority

Netia reserves the right to:

- a) amend, update or adjust the schedule, technical scope to its own current needs or requirements.
- b) accept the Bid in full or in part, to reject it, to exclude the Bidder from the tender procedure as well as cancel the tender procedure without providing any reasons. In such a case the Bidders shall not be entitled to any claims against Netia. If the tender procedure is cancelled, the Bidders will be notified about this fact in writing.
- c) reject the Bid in case of the failure to deliver all required information or delivery of the Bid after the set deadline, which means the lack of willingness to participate in the tender procedure by the Bidder's own accord.
- d) select any entity/entities with whom the negotiations will be conducted with respect to a part or the entire scope of the submitted Bids and to conclude an Agreement with more than one Bidder selected through negotiations, whereas the scope of the Agreement can cover a part or the entire scope of the submitted response to the Request for Proposal.
- e) cancel the process of Bidder's selection and/or withdraw from negotiations. On this account the Bidder shall not be entitled to any claims against the Contracting Authority.
- f) use only part of the Bid or its entire scope.

10.5. Stages of the tender procedure

The tender procedure shall be carried in the following way:

- a. Distribution of the RFP to Bidders;
- b. Submission of the Bid by Bidders;
- c. Checking whether the Bidder is not on the list of persons and entities which are subject to measures referred to in the Act on unique solutions to prevent support for aggression against Ukraine and protect national security, presented on the website of the Ministry of Internal Affairs and Administration of the Republic of Poland
- d. Evaluation of Bids: verification whether the Bid meets technical requirements;
- e. Evaluation of Bids: comparison of prices for Bids which meet the verification in item 10.5. c;
- f. Negotiations with Bidders: price negotiations as well as agreeing details of project execution;
- g. Selection of the Contractor. The best offer as the lowest score, according to the following formula:
 IRU NRC (€) +15*Maintenance Charges (annual fee) (€)+Facilities all initial costs (€)+180*Facilities (monthly costs) (€)
 (IRU NRC's (€) share in TOTAL OFFER PRICE must be above 65%).
- h. Signing of the Agreement.

11. Appendices

All Appendices are an integral part of the Request for Proposal. List of Appendices:

Appendix no 1	Bid Form
Appendix no 2	Price Offer
Appendix no 3	Obligations of the Vendor / Contractor to comply with the Rules of Ethical Behavior of Vendors in Contacts with Netia S.A. Group
Appendix no 4	Declaration of the Bidder
Appendix no 5	Dark Fibre IRU
Appendix no 6	Agreement specimen to be accepted by the Bidder

TOTAL OFFER PRICE (I + II) (€)	0
---------------------------------------	---

4. Evaluation of Bids and selection of the Contractor for specific Route

The best offer as the lowest score, according to the following formula:

$$\text{IRU NRC (€)} + 15 * \text{Maintenance Charges (annual fee) (€)} + \text{Facilities all initial costs (€)} + 180 * \text{Facilities (monthly costs) (€)}$$

IRU NRC's (€) share in TOTAL OFFER PRICE must be above 65%

Appendix no 3

OBLIGATIONS OF THE VENDOR / CONTRACTOR TO COMPLY WITH THE RULES OF ETHICAL BEHAVIOR OF VENDORS IN CONTACTS WITH NETIA S.A. GROUP

1. The rules apply to all Vendors / Contractors who cooperate or seek to cooperate with companies belonging to the Netia Group in contacts with the Employees of the Netia Group. Netia Group shall be understood as (i) Netia S.A., (ii) all companies operating under the commercial law in which Netia S.A. is direct or indirect partner or shareholder.
2. Vendors/ Contractors shall be obliged to acquaint themselves with the following rules for Sub-contractors and shall be responsible for observing these rules by Sub-contractors.
3. Vendor / Contractor will neither offer nor give to the Employee of Netia Group:
 - 3.1. A cash gift in any form and amount, directly or through a third party;
 - 3.2. Financial or non-financial gains, except for items the use of which is customarily accepted for advertising purposes, and whose value cannot exceed 20 USD (or its equivalent),
 - 3.3. Benefits, or the promise of benefits offering of which may be interpreted as an attempt at influencing the decision of a company from Netia Group concerning the Vendor / Contractor's selection,
 - 3.4. An invitation to participate in meetings, events etc. the cost of which covered by the inviting party exceeds 20 USD (or its equivalent), if such an invitation is handed in individually and is of personal nature.
4. Vendor / Contractor shall be obliged to notify the company from the Netia Group with which Vendor / Contractor intends to enter into cooperation on the date of submitting the cooperation offer to this company at the latest, about:
 - 4.1. Family ties binding the Vendor / Contractor with an Employee of the Netia Group who could have potential impact on the selection of Vendor / Contractor,
5. Vendor / Contractor cannot employ an Employee of Netia Group in any form and against any remuneration. If such situation occurs, the Vendor / Contractor shall follow the procedure laid down in item 4.
6. In case of violation of the above mentioned rules, Vendor / Contractor acknowledges that:
 - 6.1. A company from Netia Group with which the Vendor concluded the Contract may withdraw from the Contract within three months from the date of learning about the above mentioned circumstances. In such a case Vendor / Contractor may demand only the remuneration which is consistent with the remuneration provided for in the Contract in case of withdrawal from the Contract by the company from Netia Group due to the Vendor / Contractor's fault if such a remuneration would be due at all.
 - 6.2. Netia reserves the possibility to take all necessary steps to which it is entitled according to the law.
7. Vendor / Contractor confirms that he acquainted himself with these rules and commits to observe them.

Place, on 2024.

DARK FIBRE IRU

DARK FIBRE IRU

Route Ref	From (Site A)	To (Site B)
<u>Czech Republic</u>		
1.	Prague Ce Colo, Nad Elektrarnou Street 1428/47, 10600 Czech Republic	German/Czech Republic border crossing – Rozvadov/Waidhaus Area
2.	Prague Ce Colo, Nad Elektrarnou Street 1428/47, 10600 Czech Republic	Polish/Czech Republic border crossing – Cieszyn/Cesky Cieszyn Area

General specifications:

Dark Fiber compliant with the ITU-T G.652/652D specification

Test Methods in accordance with the ITU-T G.650 specification

Routes, Sections and Facilities:

- demarcation points (Site A, Site B) specified in the detailed specification for each Route;
- demarcation points in regeneration nodes for the number of Sections >1 must be connected to the space intended for colocated Customer Equipment in the form of Patch with LC/PC (LC/UPC) terminations with a minimum length of 1 m.
- power supply and air condition on Facilities must be redundant and guaranteed with a minimum of 8 hours of battery autonomy and with an emergency power generator.

Specification detailed:

1. Czech Republic :

1. Route 1 :

Route Ref	From (Site A)	To (Site B)
1.	Prague - CeColo, Nad Elektrarnou Street 1428/47, 10600 Czech Republic	German/Czech Republic border crossing – Rozvadov/Waidhaus Area

Site A:

Location: Czech Republic, 10600 Prague, CeColo, Nad Elektrarnou Street 1428/47.

Geographical coordinates : 50.060164N, 14.482978E

Dark Fiber termination : fiber optic distribution box (ODF) (SC/APC or E2000/APC) at CeColo colocation Facility (MMR).

Site B :

Location: German/Czech Republic border crossing – Waidhaus Area (German side : state of Bavaria, in the region of Upper Palatinate, region Oberpfalz-Nord, district of Neustadt an der Waldnaab / Czech Republic side: Rozvadov area, Pilsen region, Tachov district, Rozvadov commune). Ensured connection to the Customer network(s) or the telecommunications operator(s) indicated by Customer on the Czech Republic side of the border.

Dark Fiber termination : fiber optic distribution box (ODF) /optical coupler.

Route (Site A – Site B) :

Estimated fiber length: 210-250 km

Number of regeneration Sections: 3-5 (max. 100km). **In a special case (difficult terrain), one regenerative section up to 120 km is allowed while maintaining attenuation below 26dB for the 1550nm window**

Number of regeneration Facilities: 2-4.

Description of regeneration Facilities: 6U Rack Space (19/21”); two independent DC power lines (2x16A 48V DC A+B) prepared to the collocation space. Maximum power consumption 300W

Last Facility is needed max 20km from Site B

2. Route 2 :

Route Ref	From (Site A)	To (Site B)
2.	Prague Ce Colo, Nad Elektrarnou Street 1428/47, 10600 Czech Republic	Polish/Czech Republic border crossing – Cieszyn/Cesky Cieszyn Area

Site A:

Location: Czech Republic, 10600 Prague, CeColo, Nad Elektrarnou Street 1428/47.

Project: 101133578 — 22-PL-DIG-EWG — CEF-DIG-2022-GATEWAYS

Geographical coordinates : 50.060164N, 14.482978E

Dark Fiber termination : fiber optic distribution box (ODF) (SC/APC or E2000/APC) at CeColo colocation Facility (MMR).

Site B :

Location: Polish/Czech Republic border crossing – Cieszyn Area (Polish side : Silesian Voivodship, Cieszyn County / Czech Republic side: Czech Cieszyn area, Moravian-Silesian region, Karviná district,). Ensured connection to the Customer network(s) or the telecommunications operator(s) indicated by Customer on the Czech Republic side of the border.

Dark Fiber termination : fiber optic distribution box (ODF) /optical coupler.

Route (Site A – Site B) :

Estimated fiber length: 500-560km

Number of regeneration Sections: 7-8 (max. 100km). **In a special case (difficult terrain), one regenerative section up to 120 km is allowed while maintaining attenuation below 26dB for the 1550nm window**

Number of regeneration Facilities: 6-7.

Description of regeneration Facilities: 6U Rack Space (19/21"); two independent DC power lines (2x16A 48V DC A+B) prepared to the collocation space. Maximum power consumption 300W

Facility at Brno (Czech Republic, South Moravian Country) is needed. This facility has special requirements: 16U Rack Space (19/21"); two independent DC power lines (2x20A 48V DC A+B) prepared to the collocation space and possibility to connect to other operators. Maximum power consumption at the beginning 300W, expandable to 800W.
